

WHAT IS ASAE?

Formed in January 1978, the **Arkansas Society of Association Executives** brings together people with common interests concerning Arkansas associations and their activities.

ASAE allows association executives to network with their peers and promotes education on topics such as convention planning, seminars, communications and publications, management skills and other topics related to association management.

WHY JOIN ASAE?

1 Broaden Your Network

Exchange ideas, solve problems and make valuable connections with professionals at monthly meetings and special events. You will also have a personal listing in the directory, which is a valuable tool for members.

3 Sharpen Your Skills

Gain indispensable knowledge and learn new industry-specific details by completing one of our webinars or attending an educational workshops.

5 Give Back

Through ASAE, you have the opportunity to support the community as well as your profession. We fundraise annually for Arkansas Sheriffs' Youth Ranches. Other ways you can give back include: volunteering on a committee or speaking at an event. Get involved and help shape the future of the ASAE!

2 Save Money

As a member, you will get discounted rates for registration to all ASAE events. Who doesn't love to save money?

4 Advance Your Career

Do you want to have a professional edge? ASAE can help with that through the Emerging Leaders Council and help earning the Certified Association Executive designation. The CAE credential sets you apart by enhancing your marketability and showcasing your expertise.
